

Overall Projection: 117mm*
Pipe Centres from the Wall: 102mm
*When using short brackets, projection and pipe centres from wall will be reduced by 25mm.

# Gap Stainless Steel Towel Rail - 700mm

The Gap stainless steel towel rail introduces a lighter, more open approach to bathroom heating, combining clean round bar styling with increased spacing for a more minimal and contemporary appearance.
Defined by its generous gaps between horizontal bars, this design creates a less dense, more visually open structure that enhances the sense of... **(View full description online via QR code)**
